ABOUT

Woodberry, which commenced operations in 2002, consistently strives to ensure exceptional functionality and quality for its customers by continuously innovating its productive and managerial processes.

This commitment is reinforced by the incorporation of state-of-the-art technologies within its facility.

The entire production cycle takes place in Egypt, overseen by dedicated and skilled workers who diligently carry out their tasks with enthusiasm. Our products are designed to reflect the style you desire bringing to your environment, designs that tell stories everyday.
